Coach Disclosures

- a. I am a Professional Coach In Training through the Earth-Based Institute. I will be practicing with my current level of education during our work together.
- b. My work with you is not 100% confidential. I am supervised by my instructors and mentors at Earth-Based Institute and will be sharing my experience with them so I can improve my coaching and guiding skills. I will keep your name and other details that could reveal your identity confidential.
- c. Since I am practicing a form of coaching that involves nature, I may suggest that session occurs outdoors, or that you include nature in your integrative work in between our sessions.
- d. My rate for Professional Coaching is __\$75__
- e. My rate for Practice Client's is _____

Client Agreements

- f. I understand that some of the issues that may come up during a session may be outside the scope of my coaches training, in which case I am responsible to find the support I need.
- g. I realize that I may spend several sessions outside, on the trail, in a park, etc, with my coach. I will come to sessions prepared with appropriate clothing and footwear to be outside.

- h. I understand the risks involved in hiking, being outdoors and exposed to the elements. I will be responsible for my own well being.
- i. I understand that I have choice. While I might be challenged to experiment or invited to look deeper into parts of my process, I always have choice.
- j. I agree to work with _____ as a practice client, for the following length of time:
_____.
- k. In exchange for these practice sessions I agree to _____
